Jim  
can you see that all the right people see this link ??  
There are ought to be protests over this. If he wrote an anti black blog post you know what would happen.

Steve and Pat,  
In case you did not make the connection, the mayor's new "communications" person, Seitmann from Roe's firm is the same guy who has been writing the The Source for the last couple of years. I do not read it often but when someone suggests I do it is attacking Bough, Claire, Kay, the Rev, etc.  
If there any Democrats left (according to the recent poll that would be a handful only) who still support this guy, they are ought to know with whom he is now associating.
